

Caroma High Efficiency Urinals

Cube³ Ultra

caroma®

"The Smart technology in Caroma urinals will save hundreds of thousands of gallons of water each year."

*Doug Bennett
Conservation Manager
Southern Nevada Water Authority*

The Molasky Corporate Center in Las Vegas has installed Cube³ Ultra urinals. Read the full case study at www.caromausa.com.

Cube³ Ultra

Efficient hands-free flushing

- * High efficiency urinal (0.13 gallons/1 pint per flush)
- * Urine-sensing automatic flush (eliminates accidental flushing)
- * Smart controller automatically reduces flushing frequency during periods of high use
- * Softened angles and clean lines for easy cleaning
- * Hands-free operation (optimizes user hygiene)
- * Battery life of 60,000-80,000 flushes
- * Wall mounted
- * Vitreous china

H₂Zero

Proven waterless technology

- * Waterless urinal
- * Bio Fresh deodorizing block (lemon-scented)
- * Bio Seal™: one-way air-tight valve to seal the cartridge from the drainage system and against back-pressure situations (seal lasts approximately 10,000 uses)
- * Specially designed tool enables touch-free replacement of the Bio Seal and Bio Fresh block
- * Smooth lines for easy cleaning
- * Large footprint (ideal for retrofits)
- * Wall mounted
- * Vitreous china

The revolutionary H₂Zero urinal combines superior waterless technology and straightforward installation to make water conservation easy.
