## Vitreous China Lavatories/Sinks Above Counter

Lavatory Size: 15<sup>3</sup>/<sub>4</sub>" (400mm) diameter (nominal)

A minimalist geometric designed above counter vanity lavatory. The **Brisbane** vanity lavatory has been designed to co-ordinate with other products in the Brisbane range. For optimum appearance, a specially designed overflow chrome covered waste is supplied as standard. The lavatory is suitable for general purpose domestic and commercial applications. The lavatory is sealed to the counter top with an acetic cured silicon caulking.

**Faucet Holes:** The lavatory is available in no faucet hole only, Code No.892608.

**Drain Outlet:** Drain outlets use 1<sup>1</sup>/<sub>4</sub>" (32mm) diameter drain outlet assemblies.

**Bowl Capacity:** 0.66 gal (2.5 l) to overflow.

**Weight:** 18 lbs (8 kg).

**Overflow:** Rear overflow.

**Fixing:** An approved acetic cured silicon caulking is to be used to secure the lavatory to the counter top.

**Epoxy type glues must not be used.**

The lavatory is supplied with a template which must be used for the counter top cut-out.

**Colors:** White only.

**Dimension:** All dimensions are in inches and millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
