## Vitreous China Lavatories/Sinks Self Rimming

Lavatory Size: 21<sup>1</sup>/<sub>4</sub>" (540mm) x 17" (430mm) (nominal)

A quality traditionally styled elliptical self rimming vanity lavatory which incorporates authentic design elements featuring two scalloped soap holders and curved splash back. The lavatory is sealed to the counter top with an approved acetic cured silicon caulking. The 430mm lavatory projection suits compact vanity tops. The lavatory has been designed to complement other products in the Colonial range. The lavatory is suitable for general purpose installations where a traditional style is required.

**Faucet Holes:** The lavatory is available in: one faucet hole Code No.653018 and three 8" faucet hole Code No.653038 options.

**Drain Outlet:** Drain outlets use 1<sup>1</sup>/<sub>4</sub>" (32mm) diameter drain outlet assemblies.

**Bowl Capacity:** 1.18 gal (4.5 l) to overflow.

**Weight:** 22 lbs (10 kg)

**Overflow:** Rear overflow.

**Fixing:** The underside of the lavatory rim must be sealed to the counter top with an approved acetic cured silicon caulking.

**Epoxy type glues must not be used.**

The lavatory is supplied with a template which must be used for the counter top cut-out.

**Colors:** White and biscuit.

**Dimension:** All dimensions are in inches and millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice
