- Two button dual flush. Uses 1.6 gallons per flush (gpf) for solid waste and 0.8 gpf for liquid. Saves up to 40% more water than a standard 1.6 gallon single flush toilet
- Large trapway: nearly twice the industry standard, virtually eliminates blockages and double flushing
- Fully concealed trapway with an easy to clean skirted bowl
- Available in Easy Height or standard height, white or biscuit
- WaterSense labeled

An authentic high-class design to give your bathroom that traditional decor all packaged with Caroma's world leading high performance dual flush technology.
